

Annual Board of Trustees Dinner

During a dinner attended by residents, guests and staff, Joe Gastiger, Board Vice President recognized and thanked members for their willingness to serve the Oak Crest community. He also acknowledged the efforts of Karen Grush who has completed a five-year term of service. He said, "The Oak Crest community benefitted from Karen's extensive knowledge and experience in the areas of nursing and public health. Her commitment and leadership on both the Finance and Health Care committees proved invaluable. It has been a pleasure to serve with you. This spring an oak tree will be planted in your honor as a reminder that the trees we plant today are for the benefit of the generations to follow."

Following the presentation, Joe Gastiger introduced and inducted new member, Michelle Bringas. Michelle is a resident of DeKalb and since 2004

has served as the Director of the Asian American Resource Center at Northern Illinois University. Michelle brings to the Board twenty-six years of experience in higher education and is a tireless advocate for Asian American students at NIU. She actively serves in a number of university-wide initiatives that support diversity, equity, and inclusion. Michelle develops and implements assessment tools for evaluating and improving departmental programs, services, and facility needs. Michelle will be serving on both the Community Relations and Building Committees.

Joe Gastiger said, "You have agreed to serve as a member of the Board of Trustees and on behalf of the Board of Trustees, residents, families and staff I welcome you and look forward to serving with you. I enjoy my experience here at Oak Crest and am confident you too will find your leadership role here not only very interesting but also very fulfilling. I have found that there are many elements necessary in creating and maintaining a community like Oak Crest. Leadership is number one. Everything else is number two."

Circle Of Care

Oak Crest's Annual Giving Campaign to benefit the Good Samaritan Fund begins May 1, 2019. We are again looking to our friends in the community for support. This fund benefits those who outlive their financial resources. In past years Oak Crest residents have used more than \$200,000 from this fund. This rate of utilization continues to increase to accommodate the growing number of residents requiring assistance. The Good Samaritan Fund is supported solely through contributions and donations. All proceeds generated by the Circle of Care Campaign directly benefit the Good Samaritan Fund.

At the time of our 25th Anniversary we established the Silver Acorn Donor Program. Supporters of this program have made a donation or pledge to the Circle of Care Campaign in the amount of \$2,500 or more. A number of people are already participating and we wish to

thank them again for their continued support and invite you to join them. Of course, each and every donation is welcomed and appreciated.

Letters will be sent to previous and prospective donors. These letters will tell you more about the Circle of Care Campaign. Please consider making a donation. Your generosity will ensure that the Good Samaritan Fund continues.

If you should have any questions, or would like additional information on the Circle of Care Campaign, the Good Samaritan Fund, or Oak Crest itself, please call Stephen Cichy at (815)756-8461. We look forward to hearing from you and appreciate your support.

Good Samaritan Nominations

Annually the Board of Trustees of the DeKalb Area Retirement Center-Oak Crest recognizes and honors an individual in the community as a modern day Good Samaritan. This award is presented to someone who has demonstrated his/her commitment to the community and to its people – in any number of ways. A modern Good Samaritan is a person who cares for others beyond the normal compassion of most people; or a person who actively participates in various community organizations and combines community service with personal caring; or a person who works quietly to better the lives of others. Currently, nominations are being accepted. This year the honor will be bestowed on a deserving individual on Friday, August 2, 2019. You are encouraged to nominate someone who exemplifies the high standards of the Good Samaritan. Application forms are available by contacting Oak Crest reception desk (815)756-8461 or e-mail cbuehler@oakcrestdekalb.org

From The Executive Director

Recently, Oak Crest received notification that a resident years ago had made arrangements to include Oak Crest in her will. Of course,

Oak Crest was touched by her generosity but we also know what an important role Oak Crest played in her life. Many times she shared that her life at Oak Crest had brought her new friendships, purpose and the peace of mind that comes from living in a community that always puts people first. She confided in close friends that after living at Oak Crest for nearly four decades, she wanted to contribute to the success of the organization by leaving something behind for those who follow. I have thought about her and this legacy and recognize the selflessness that comes from giving to others without receiving anything in return.

Undoubtedly, you receive countless appeals from a variety of charities. For many organizations, tax savings

is a primary incentive and the theme of many of these appeals. As a not-for-profit organization we too recognize the tax saving advantages to the donor. However, besides these obvious advantages, we find people give to Oak Crest because-like the woman who remembered Oak Crest in her will-they support and believe in the organization's mission, vision and values and in a very individual way wish to make a difference.

Gifts to the Center might include cash contributions, securities, tangible property, or real estate. Each offers a varying degree of tax advantages to the donor and at the same time provides important financial support to Oak Crest. We all know someone who has touched our lives. Whether it be a family member, friend or business associate, Oak Crest offers a wonderful opportunity to pay tribute to those who continue to enrich our lives. Donations to the Center may be recognized with a plaque identifying the donor or may be inscribed with the name of a dear friend or family member. Gifts to the Center are always appreciated.

“Opportunity is knocking...”

I’ll be honest with you I have always been a planner and my best decisions have always been after careful

consideration and a great deal of thought. So, when it came time to think about retirement I used this same approach. I knew all about Oak Crest and even had some experience when seventeen years ago my husband Bill spent his last days in the capable and caring hands of the Oak Crest nursing staff. I was so impressed that I knew then and there that when the time came I would make my own home at Oak Crest. So, I had the easy part done. I knew where I wanted to be, I just had to decide the when. Keep in mind that in my planning the big move was still a couple of years in the distance. Well, as fate would have it I decided to take some time while my children were home to stop in for a visit. Call it fate or divine intervention but on that day the perfect apartment, in the best location with the loveliest view had just become available. It was at that moment I just knew that opportunity was knocking and I didn’t want to miss out. My advice to you is that if you already know the where; then the when could be right now! There really is no better time than today to

see all that Oak Crest has to offer.
Margie Moulton
Resident since May 2013

Serving the Oak Crest community for twenty-nine years has afforded me a wealth of experience and perspective. As I meet new people

and assist them in their retirement decisions, I have noted that people tend to ask very similar questions as it relates to Oak Crest and retirement. I am including the five most asked questions and my responses.

Q: I’m doing fine in my home now. Why should I even consider retirement before I really need it?

A: The time to make decisions concerning your future is now. It is so important that you make choices while they are yours to make. Two things that I have found Oak Crest residents share; a fierce desire to make their own decisions and a desire to remain independent. Oak Crest is a retirement community designed to offer independent living to active older adults. About the time you “need” Oak Crest you may have waited too long.

Q: I’m pretty used to being independent, and if I come here will I lose that?

A: Living at Oak Crest you have all the same opportunities you had at home and much more. The main difference is that Oak Crest offers the guarantee of security and future care without the worry. You remain as independent as you were before.

Q: If I am interested in coming to Oak Crest do I have to sign over all my assets?

A: Absolutely not. Applicants must complete a financial statement disclosing assets and income. This information is kept in strict confidence and is used to determine someone’s eligibility as it pertains to financial obligations should they be accepted to Oak Crest.

Q: If I am responsible with my assets and still run out of money will I have to find another place to live?

A: No. Oak Crest’s commitment to its residents is one that guarantees if they outlive their financial resources and have not in any way divested themselves, they would be provided a home here. This is accomplished through the Good Samaritan Fund.

Q: Some places really pressure you when you call with questions or stop by. What should I do if I’d like some information about Oak Crest but don’t want a sales pitch?

A: Part of Oak Crest’s philosophy deals with community awareness and education. When someone calls with a question or stops by for a visit we try to answer their questions with complete and concise information. We hope that people never feel “pressured.” We pride ourselves on being approachable, cooperative and informative. Most people comment that a visit at Oak Crest is like a visit with an old friend.

I hope the above information has answered some of your questions and given you some facts in black and white. Now, I invite you to come and experience, in living color, all that Oak Crest has to offer.
